

Small business is the core of our economy and attracts people who like to learn through experience and enjoy a day filled with variety. West Stride is a small business located in Atlanta. As a running retailer we take pride in helping our customers reach their health and fitness goals, whether it's training for a local race or going for a walk. We dedicate ourselves to provide unrivaled personal attention. For us it's not about selling products. It's about working together, loving what we do, and serving the community.

We are seeking full-time and part-time candidates, who are available to work 25+ hours weekly, to join our team as a Fit Specialist to help build our future. The Fit Specialist will connect with team members, customers, and the community to encourage an active lifestyle. This position will work to ensure that the customer experience and store procedures are achieved to the highest standards. As employees grow, we expose them to other business disciplines to provide experience in all aspects of small business. Through training and education, our goal is to align the passion of the employee with the need of the business.

If corporate life is not for you and you find fulfillment working with a team to help people achieve their goals, consider a career in small business with West Stride. We are an Equal Opportunity Employer committed to a diverse and inclusive work environment.
